# **SAFETY DATA SHEET - Camguard Aviation**

# 1. Identification

Product identifier Camguard Aviation

Other means of identification

Product code 0104161

Product Use Aircraft crankcase additive Manufacturer/Importer/Supplier/Distributor information

Company name Aircraft Specialties Lubricants

Address 2860 N. Sheridan Rd.

Tulsa, OK 74115 United States

 Telephone
 +1-800-826-9252

 Fax
 +1-918-836-4419

E-mail <u>info@aslcamguard.com</u>

Emergency phone number For Chemical Emergency ONLY (spill, leak, fire, exposure or accident),

24 hour emergency telephone, call CHEMTREC at 1-800-424-9300

(US, Canada, Puerto Rico); 1-703-527-3887 (elsewhere).

## 2. Hazards identification

Physical hazards No significant hazards.

Health hazards Skin corrosion/irritation Category 3

Eye irritation Category 2B

Environmental hazards May cause long lasting harmful effects to aquatic life. Category 4

OSHA defined hazards Not classified.
Signal word Warning

**Hazard statement** Causes mild eye irritation. May causes skin irritation.

**Precautionary statement** 

**Prevention** Prevent release into the environment.

**Response** If on skin: Wash with plenty of soap and water.

If in eyes: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. If

eye irritation persists: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

## 3. Composition/information on ingredients

**Mixtures** 

Chemical name, Common name

and CAS#

Carboxylates\*
Phosphates\*

Proprietary\*
Proprietary\*

\*Designates that a specific chemical identity and/or percentage of composition has been withheld as a trade

secret.

### 4. First-aid measures

**Inhalation** Move to fresh air. Call a physician if symptoms develop or persist.

Skin contact Remove contaminated clothing. Wash with plenty of soap and water. If

skin irritation occurs: Get medical advice/attention. Wash contaminated

clothing before reuse.

Eye contact Immediately flush eyes with plenty of water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. Get

medical attention if irritation develops and persists.

IngestionRinse mouth. Do not induce vomiting. Get medical attention .Most importantEye irritation. Symptoms may include stinging, tearing, redness,

**symptoms/effects,** swelling, and blurred vision.

acute and delayed Skin irritation. May cause redness and discomfort.

Product name: Camguard Aviation – SDS

5. Fire-fighting measures

**Suitable extinguishing media** Water fog. Foam. Dry chemical powder. Carbon dioxide (CO2).

**Unsuitable extinguishing media** Do not use water jet as an extinguisher, as this will spread the fire.

**Decomposition products**Carbon monoxide.

Hydrogen sulfide.

**Special protective equipment** Self-contained breathing apparatus and full protective clothing must be and precautions for firefighters worn in case of fire.

Fire fighting

equipment/instructions Move containers from fire area if you can do so without risk.

Specific methods Use standard firefighting procedures and consider the hazards of other

involved materials.

**General fire hazards**No unusual fire or explosion hazards noted.

#### 6. Accidental release measures

Personal precautions, protective equipment and emergency procedures Keep unnecessary personnel away. Wear appropriate protective

equipment and clothing during clean-up.

Methods and materials for containment and cleaning up

The product is immiscible with water and will spread on the water

surface.

Large Spills: Stop the flow of material, if this is without risk. Dike the spilled material, where this is possible. Absorb in vermiculite, dry sand or earth and place into containers. Following product recovery, flush

area with water.

Small Spills: Wipe up with absorbent material (e.g. cloth, fleece). Clean

surface thoroughly to remove residual contamination.

**Environmental precautions** Avoid discharge into drains, water courses or onto the ground.

7. Handling and storage

**Precautions for safe handling** Avoid contact with eyes, skin, and clothing.

Observe good industrial hygiene practices.

Conditions for safe storage, including any incompatibilities

Store in original tightly closed container. Store away from incompatible

materials (see Section 10 of the SDS).

#### 8. Exposure controls/personal protection

Occupational exposure limits No exposure limits noted for ingredients.

Biological limit values No biological exposure limits allocated.

Personal protective Any specific recommendations provided is based on manufacturing

data.

Eye/face protectionNone under ordinary conditions.Skin protectionNone under ordinary conditions.Hand protectionNone under ordinary Conditions.

**Respiratory protection**No special requirements under ordinary conditions.

**General hygiene**Always observe good personal hygiene measures, such as washing **Considerations**Always observe good personal hygiene measures, such as washing
after handling the material and before eating, drinking, and/or smoking.

# 9. Physical and chemical properties

Appearance

Physical state Liquid.
Color Amber
Odor Characteristic.

Odor threshold Not available.

PH Not applicable

Melting point/freezing point Not available.

Flash point >360°F (182°C)

Evaporation rate Not available.

Flammability limit - lower (%) Not available.

Flammability limit - upper (%) Not available

Vapor pressure 0.00003 mbar estimated

**Solubility (water)** Insoluble.

Product name: Camguard Aviation – SDS

Solubility (other) Soluble in petroleum and synthetic lubricant base stocks and most

common solvents.

**Partition coefficient** 

(n-octanol/water)

Flammability class

Not available.

**Auto-ignition temperature Decomposition temperature** 

Not available. Not available. 35-40 mm<sup>2</sup>/s 104 °F (40 °C)

Viscosity Viscosity temperature Density

0.90-0.94 g/cm<sup>3</sup> Combustible IIIB

## 10. Stability and reactivity

Chemical stability and reactivity The product is stable and non-reactive under normal conditions of use,

storage and transport.

Conditions to avoid Contact with incompatible materials, high temperatures and open flame.

Materials to avoid Strong oxidizing agents.

# 11. Toxicological information

Information on likely routes of exposure

> Inhalation Prolonged inhalation of vapor at elevated temperature may cause

> > respiratory irritation.

Skin contact May cause mild skin irritation. Eye contact Causes mild eye irritation.

Ingestion Not determined.

## 12. Ecological information

**Environmental hazard** Harmful to aquatic organisms. May cause long-term adverse effects in

the environment. Based on calculation.

This product contains components which may persist in the **Environmental fate** 

environment.

#### 13. Disposal considerations

**Disposal instructions** Collect and reclaim or dispose in sealed containers at licensed waste

disposal site. Dispose of contents/container in accordance with

local/regional/national/international regulations.

Local disposal regulations Hazardous waste code

Dispose in accordance with all applicable regulations.

The waste code should be assigned in discussion between the user, the

producer and the waste disposal company.

Waste from residues / unused

products

Dispose of in accordance with local regulations. Empty containers or liners may retain some product residues. This material and its container

must be disposed of in a safe manner.

Contaminated packaging Empty containers should be taken to an approved waste handling site

for recycling or disposal since emptied containers may retain product

residue.

### 14. Transport information

DOT (Road) Not regulated. IATA/CAO (Air) Not regulated. IMDG/GGV (Sea) Not regulated.

### 15. Regulatory information

All ingredients are listed. TSCA inventory

SARA 302 Extremely Hazardous Not listed.

Substance.

SARA 304 Emergency release notification

Not regulated.

SARA 311/312 Hazardous

Chemical

No

Not regulated Not listed.

SARA 313 (TRI reporting) **OSHA Specifically Regulated** 

**Substances** 

Product name: Camguard Aviation – SDS

## 16. Other information including date of preparation or last revision

 Issue date
 09-13-2015

 Revision date
