

Product information

AERO Windshield Cleaner

PI 2/13/05/2015

Description

Highly effective foam cleaner for aircraft and helicopter cockpit windshields and canopies. Cleans sensitive cockpit windshields highly effectively and streak-free inside and out. Dissolves and removes silicones, insects and oil and grease contaminants to prevent pilot distraction when flying into the sun or at night.

Properties

- for internal and external use
- excellent cleaning effect
- removes silicone residues
- Tested for UV at altitude
- does not attack plastics, rubber and paints
- can be applied without scratching
